NEW YORK, May 15, 1915.

Dear Sir:

I hasten to express to you my appreciation of your courtesy in the matter referred to in your letter of the 26 April, which has just reached me, regarding the very interesting collection of water colors and autographs.

At other times, perhaps, The Hispanic Society would have been glad to become interested in so attractive a subject, but now we are no longer adding to our collection.

On behalf of the Trustees of our Society however, it gives me great pleasure to express the sense of indebtedness felt to you for your kindness and consideration.

Believe me, dear Sir,
With cordial regard,
Yours very sincerely,

Charles E. Huntington
